Comments:			

EMSL Canada, Inc.'s services are limited to testing samples and reporting results.. We analyze samples by various methods and provide a written report. EMSL *does not* provide written or verbal advice on how to interpret results or how to proceed after you receive results. For assistance with interpretation, you may call your local health department, visit the USEPA website at www.epa.org, or hire an environmental consultant.

Sample results will not be released until payment is received in full. If you do not wish to use a credit card, include a certified check or money order in the amount that corresponds to the turnaround time you requested, multiplied by the number of samples you submit.

Not all services and/or tests are offered at every EMSL laboratory location. Please contact your local EMSL laboratory to confirm their ability to provide the service/test you require.
